b. Use of Cookies

Prostate90 Foundation may use cookies to personalize or enhance your user experience. A cookie is a small text file that is placed on your hard disk by a Web page server. Cookies cannot be used to run programs or deliver viruses to your computer. Cookies are uniquely assigned to you, and can only be read by a Web Server in the domain that issued the cookie to you.

One of the primary purposes of cookies is to provide a convenience feature to save you time. For example, if you personalize a web page, or navigate within a site, a cookie helps the site to recall your specific information on subsequent visits. Hence, this simplifies the process of delivering relevant content and eases site navigation by providing and saving your preferences and login information as well as providing personalized functionality..

Prostate90 Foundation reserves the right to share aggregated site statistics with partner companies, but does not allow other companies to place cookies on our website unless there is a temporary, overriding customer value (such as merging into Prostate90 Foundation sites, a site that relies on third-party cookies).

You have the ability to accept or decline cookies. Most Web browsers automatically accept cookies, but you can usually modify your browser setting to decline cookies. If you reject cookies by changing your browser settings then be aware that this may disable some of the functionality on our Website.

c. Personal Information Users

Visitors to our websites can register to purchase goods and/or services. When you register, we will request some personal information such as name, address, email, telephone number or facsimile number, account number and other relevant information. If you are purchasing, we will request financial information. Any financial information we collect is used only to bill you for your purchase. If you purchase by credit card, this information may be forwarded to your credit card provider. For other types of registrations, we will ask for the relevant information. You may also be asked to disclose personal information to us so that we can provide assistance and information to you. For example, such data may be warranted in order to provide online support and/or troubleshooting.

We will not disclose personally identifiable information we collect from you to third parties without your permission except to the extent necessary including:

- To fulfill your service requests for services.
- To protect ourselves from liability,
- To respond to legal process or comply with law, or

- In connection with a merger, acquisition, or liquidation of the company.

4. USE OF WEB BEACONS OR GIF FILES

Prostate90 Foundation Web pages may contain electronic images known as Web beacons – sometimes also called single-pixel gifs – that allow Prostate90 Foundation to count users who have visited those pages and to deliver co-branded services. Prostate90 Foundation may include Web beacons in promotional e-mail messages or newsletters in order to determine whether messages have been opened and acted upon.

Some of these Web beacons may be placed by third party service providers to help determine the effectiveness of our advertising campaigns or email communications. These Web beacons may be used by these service providers to place a persistent cookie on your computer. This allows the service provider to recognize your computer each time you visit certain pages or emails and compile anonymous information in relation to those page views, which in turn enables us and our service providers to learn which advertisements and emails bring you to our website and how you use the site. Prostate90 Foundation prohibits Web beacons from being used to collect or access your personal information.

5. ACCESSING WEB ACCOUNT INFORMATION

We will provide you with the means to ensure that personally identifiable information in your web account file is correct and current. You may review this information by sending an email to our support: admin@prostate90fndn.org

8. CHANGES TO THIS STATEMENT

Prostate90 Foundation has the discretion to occasionally update this privacy statement. When we do, we will also revise the “updated” date at the top of this Privacy page. We encourage you to periodically review this privacy statement to stay informed about how we are helping to protect the personal information we collect. Your continued use of the service constitutes your agreement to this privacy statement and any updates.
